7 Heated Rooftop Bars Perfect for Waiting Out the Winter Chill

BY: ARIANNA FRIEDMAN

Got cabin fever? Us too. Instead of staying holed up indoors, try embracing the last few weeks of winter with a cozy fire, a warm drink, and sweeping views of the world's most prominent skyline. We've put together a list of the swankiest rooftop bars in N.Y.C., so you can brave the elements in style. Read on for our seven picks.

6. **REFINERY ROOFTOP**

Situated on top of the Refinery Hotel, the Rooftop features multiple indoor and outdoor seating sections. Grab yourself a signature cocktail (we're fans of the Perfect Pear), a spot under the twinkling lights, and soak up the incredible skyline.
